

Jezebel wines are produced by **Daedalus Cellars** with the intent of providing wine that is well-balanced and interesting and designed for immediate consumption.

The 2010 Blanc is a blend of 46% Gewurztraminer, 27% Riesling and 27% Pinot Gris, some from the Willamette Valley and some from southern Oregon.

It has just a hint of sweetness (around 0.8% residual sugar) with some great acidity to balance that.

It is fantastic by itself but is also very versatile with food and should pair well with a variety of foods from seafood to Asian dishes and vegetarian dishes
