

Daedalus (day-de-lus) Cellars is a small, family-owned winery committed to producing small lots of distinctive, hand-crafted wines from some of the best Oregon vineyards. Our 2006 Pinot Gris is a blend of fruit from Yamhill Valley, Carabella, Croft and Murto vineyards. It is a full-bodied, Alsatian-style Pinot Gris with exotic fruit, floral and mineral flavors which will pair well with seafood dishes and hors d'oeuvres.
