

Daedalus (day-duh-lus) Cellars is a small, family-owned winery committed to producing small lots of distinctive, hand-crafted wines from some of the best Oregon vineyards. Our 2005 Pinot Gris is a blend of older-vine fruit from Yamhill Valley Vineyards, and two different Pinot Gris clones from the younger Carabella Vineyard. This is a vibrant, powerful wine, with exotic fruit, floral and mineral flavors and will pair well with most seafood dishes and hors d'oeuvres.
