

Daedalus (day-duh-lus) Cellars is a small, family-owned winery committed to producing small lots of distinctive, hand-crafted wines from some of the best Oregon vineyards. As usual our Syrah comes exclusively from a 1.5-acre parcel of McDuffee Vineyard in The Dalles, Eastern Oregon. High daytime temperatures in the vineyard give us ripe, well developed fruit and cool nights maintain a well-balanced acidity in the wine making it a wonderful accompaniment for food.
