

Jezebel wines are produced by **Daedalus Cellars** with the intent of providing wine that is well-balanced and interesting and designed for immediate consumption.

The 2010 Rosé is from Stardance Vineyard in the Yamhill-Carlton appellation. It is fresh, fruity and wonderfully crisp. It is pleasant by itself but will be particularly good with food and should pair well with a any of your summer barbeque dishes.

Cases produced:        540 cases produced (12-pack/750ml)
