

Jezebel
Blanc

Jezebel is a joint effort of winemakers **Aron Hess (Daedalus Cellars)** and **Peter Rosback (Sineann)**. Their goal is to produce blended wines that are highly approachable and full of character.

Originally conceived as a negociant brand, Jezebel is now a true second label for both wineries, sourcing from both cellars.

The **2004 Blanc** is a blend of 49% Pinot Blanc, 19% Pinot Gris, 11% Riesling, 10% Gewürztraminer, 7% Mueller Thurgau and 4% Sauvignon Blanc from various Oregon vineyards. Similar in style to the 2003 Blanc, it is crisp, aromatic and fruity. It should pair well with a variety of foods from seafood to Asian and vegetarian dishes.
