

Jezebel is the second label of **Daedalus Cellars**. Our goal is to produce blended wines that are highly approachable and full of character.

We produce between 60 to 100% of the blend, and purchase the balance of the wine from sources throughout Oregon.

The 2006 Pinot Noir is a blend of wine from several exceptional Oregon vineyards. The fruit was cropped around two to three tons per acre, fermented in small lots, and blended to produce a wine that is fruit-forward, well-balanced and surprisingly complex. It should be enjoyable upon release, but it may also cellar well for five to six years.

Cases produced: 3900 cases produced (12-pack/750ml)
